Home-electronics cafe Program

What is a Home Visit Like?

Do you have plans to visit Japan, and want a chance to meet a Japanese family and while you are there, or already have a place to stay in Japan and can't do a homestay? We have the perfect thing for you _ the "Home electronics cafe Program"! It's a unique and fun opportunity to spend some quality time with the natives of this great country.

Primitive art renovation, aged and damaged house

hecp

rental kitchen party , mini-theater , private party , gallery , atelier , soho office , forum , culture room , studio , seminar , lunch party
Terakoya Style

The house which change the fabric of world.
Those who would like to join the party, please raise your hand

BECOMING A LEADING ENVIRONMENT NATION

IN THE 21ST CENTURY:

JAPAN' STRATEGY CAFE FOR A SUSTAINABLE SOCIETY

www.re-conscious.org

- I. State of the Global Environment and Key Challenges
- II. Becoming a Leading Environmental Nation for a Better World
- III. The art that is re-conscious gathers in KADAMO/JAPAN. On earth what begins here?
